OSP Documentation

Our Students will document their acquisition of essential skills and work habits which are transferable to other occupations in their Ontario Skills Passport. These knowledge gained forms an important foundation for learning technical skills.

Experiential Learning

**Co-operative Education
Job Shadowing**

Sector-Recognized Certifications

**WHMIS, Safe Food Handling, CPR, First Aid,
Service Excellence and Smart Serve**

Reach Ahead Experiences!

Students will enroll in a Dual Credit Program with Sault College during one semester. The credit may count towards the first year in a Post-Secondary Institution or towards an apprenticeship.
