EQUIPMENT REQUIRED FOR WEB CONFERENCE SESSIONS:

**easy as
 1 2 3**

Web Conferencing is simple to set up. All you need is the following:

1. **Computer / laptop**
 2. **Internet connection**
 3. **LCD projector**
 4. **Microphone** (so students can ask questions to the instructor)
- Most laptops in our system are set up with an internal microphone.
 - If a microphone is not available, the other option is to simply use 'text chat'.
 - Text Chat: Live questions can be texted to the instructor.
