POLICY

The Huron-Superior Catholic District School Board's mission statement serves as a strong foundation for the policy governing the performance appraisal of new teachers.

The appraisal process for new teachers provides a framework to assess teaching practice, encourages improvement efforts aimed at ensuring student success and is carried out through a supportive developmental process.

Essential in this process is the engagement of new teachers in professional dialogue that deepens their understanding of what it means to be a teacher as described in the "Standards of Practice for the Teaching Profession".
