Did You Know?

The Huron-Superior Catholic District School Board holds the achievement of all students as a key strategic priority.

In May 2014, the board was certified by the Ontario College of Teachers (OCT) as an official provider of Additional Qualifications (AQ) courses.

COURSE DETAILS

What?	The Additional Qualification Course Mathematics, Primary and Junior, Part I explores in a holistic and integrated manner theoretical foundations, learning theory, program planning, development and implementation, instructional design and practices, assessment and evaluation, the learning environment, research, and ethical considerations related to teaching and learning across the divisions. Through these explorations, candidates strengthen professional efficacy by gaining in-depth knowledge, refining professional judgment and generating new knowledge for practice.
Who?	This course is open to any OCT member with a Certificate of Qualification and Registration who holds qualifications in the Primary or Junior division, or a qualification in the Intermediate or Senior division in a general education subject from the OCT's Schedule A. Note: this course may be audited (no credit granted) by non-teachers for a cost of \$100.
How?	This course will be offered through online delivery through an online course / learning management system. Candidates are required to: <ul style="list-style-type: none">• Have access to reliable technology (i.e., computer, Internet connection).• Access online course materials daily, complete all assignments, and participate substantively in all virtual activities - approximately 25 hours a week.
