POLICY

The Huron-Superior Catholic District School Board is committed to fostering and maintaining a healthy and safe environment for its employees through the implementation of effective measures to deal with the illegal use of recreational cannabis, and the legal use of cannabis as prescribed for medical purposes. These measures include the provision of appropriate early interventions and the administration of disciplinary action in accordance with the applicable Collective Agreement and the applicable legislation.

In accordance with *Bill C-45 An Act respecting cannabis and to amend the Controlled Drugs and Substances Act* (Cannabis Act), the Board supports its employees in understanding and promoting safe and healthy work environments. Based on an understanding of the contents of Bill C-45, Ontario's Cannabis Act, 2017, effective October 17, 2018, and its effective implementation, the Board will strive to nurture a positive, healthy and safe work environment for employees within our Catholic culture.
