SAMPLE SPECIAL EVENTS REMINDER
(Hallowe'en, Christmas, Easter, birthdays)

_____ is fast approaching! We have a number of students in our school who have peanut or other severe food allergies. We ask you to be extra careful in checking labels and avoid sending any treats to school that may contain peanut or other foods such as: seafood, milk, wheat, mustard, and sulfites. This is a life threatening situation for these students.

Thank you once again for showing your care and concern for all children by helping to provide a safe learning environment.
