

Coach / Team Trainer / Official Confirmation of Concussion Resource Review

All coaches, team trainers and officials who participate in board-sponsored, inter-school sports must complete the OPHEA concussion awareness E-module.

Furthermore, prior to participating in board-sponsored sports, coaches and team trainers must review the Concussion Code of Conduct.

Please print this page, confirm this review by signing it, and return it to the school principal where you are involved in sports.

By signing here, I acknowledge that I have completed the OPHEA concussion awareness E-module. In addition (for coaches and team trainers) I have fully reviewed and commit to the Concussion Code of Conduct.
