Sharing our Gifts - Featuring Gr. 3/4 Mrs. St. Louis

This month our class has been looking at the Virtue of Faith. Faith means having trust in others and being trustworthy and loyal in return. Christian faith is the virtue that enables us to trust in God's power to give new life. It is a whole new way of seeing reality, an idea of the mind and heart that gives one an understanding of God's truth. This led us to discuss having Faith in ourselves and others. We discussed the Faith that Terry Fox had to show in himself by learning about and understanding his journey fighting cancer and raising awareness through the Marathon of Hope. Students created T-shirts and shoes that Terry could have worn to help promote his message. Students shared their own Faith and talents with each other this month as they got to know each other better and grow in our Catholic Gr. 3/4 Community.
