GO HAWKS
GO!

Our school hours are 8:55 am to 3:10 pm. There is no supervision until 8:40 am. Students who arrive before 8:40 am are not supervised until 8:40 am

Lunch Hour is 11:40 – 12:25. Grade 7 and Grade 8 will be allowed to go out for lunch with signed parental permission. If students are late 3 times, the privilege of going out for lunch will be taken away.

Our Student & Family Counsellor Michelle Walsh is at our school Mondays and Fridays each week. She is available to assist students with personal supportive counselling, stress management, emotion regulation, managing anxious symptoms, low mood, navigating difficult or stressful situations, and many other topics. Please reach out to the office or your child's teacher if you would like a referral.

MATH CORNER – PARENT CONNECTION!

Daily Decisions

We all use mathematics daily in what we do. Involve your child in using numbers to solve problems and make those everyday decisions with you. For example:

Play the estimating game: Ask your kids to estimate measurements, distances, time and grocery bills. Be sure to compare the estimate with the actual. Or get them to guess how much the apples you are going to buy will weigh and then take them to the scale in the grocery store and find out.

Use common toys to understand math concepts: Build a tower from blocks. Count the blocks. Then talk about the need for a base of the right size and the stability it creates.
