End of Day Pick Up

- School dismissal will go back to 3:50 p.m.
- In an effort to maximize instructional time, we ask that unless absolutely necessary parents please honor the 3:50 dismissal time.
- If Parents/Guardians are picking up their children prior to the 3:50 dismissal time, please **park in the parking lot and go to the front door** to use the buzzer and your child will be paged. We must keep the bus bay clear of vehicles at **ALL TIMES** for emergency vehicle access and student transportation.

In order to support the school with the safe dismissal of students, it is important for parents to inform the classroom teacher for the following situations:

- When your child is absent from school (illness, medical, or for an appointment)
- When someone other than a parent/guardian will be picking up your child
- When there is a change to their pick-up at the end of the day (e.g., taking the bus instead of being picked up).
