Kindergarten Registration

Although registration can happen at any point throughout the year, the sooner we have completed registration packages returned to the school, the better it is in terms of planning for the upcoming school year. Please share this informational flyer with your friends and family that have children who are ready to start school.

Dress Code

As the weather warms up, we remind our school community of the dress code policy, as follows.

Students, staff, parents, and visitors to the school should dress respectfully at school and school-sponsored events. We expect common sense to be the key criterion in determining what is acceptable. However, it should be known that the following shall be enforced:

- ❖ Clothing displaying racist, sexist, offensive, drug or alcohol related slogans or images is not permitted
- ❖ Bare midriffs, short shorts, micro minis, spaghetti straps on tops or dresses, halter tops, backless shirts or blouses and transparent clothing are not acceptable
- ❖ Shorts and skirts must be mid thigh length
- ❖ Intentionally torn or ripped clothing will not be allowed
- ❖ Hats, hoods, bandanas, and sunglasses will be allowed only in the school yard
- ❖ Foot wear should support the foot to prevent injury thus sandals should have a back strap.

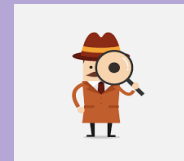

Morning Arrival

Effective immediately, students are no longer required to enter the school prior to the first bell. Upon arrival, all Grade 1-8 students will head directly to the school yard to their designated play area (Primary/Junior/Intermediate). Kindergarten students will enter the school and head to their regular classroom where they will access the gated play area.

We ask that families please continue to use the parent drop off/pick up area on Gibbs Street when dropping off and picking up students. The bus bay must be kept clear for buses, cabs and emergency vehicles only.

Library Books

We have a number of library books that are unaccounted for and will cost a significant amount to replace. We are asking for your support and your best detective work, to **DROP EVERYTHING AND SEARCH** your home for any school library books or textbooks they may have.

Lost and Found

There are a number of items in the lost and found, please remind your child to take a look for any misplaced or lost clothing, shoes, hats, mitts, gloves and so on.
