A Reflective, Creative and Holistic Thinker: I have ideas

Students participate in the development of the play

A Self-directed, Responsible, Life Long Learner: I am a learner for life

A Collaborative Contributor: I am a team player

Working together to bring joy and the wonder of Christmas to young children

A Caring Family Member: I care

Creating a family at SMC and with our drama club

A Responsible Citizen: I have responsibilities

To our community and those in need, offering donations and positive message

Catholic connections found in the play will be emphasized and talked about with the actors and audience.

The true meaning of Christmas is not about the presents under the tree or the hustle and bustle of food and festivity but the quiet reflection of our Savior's birth and what joy and comfort that brings to everyone.

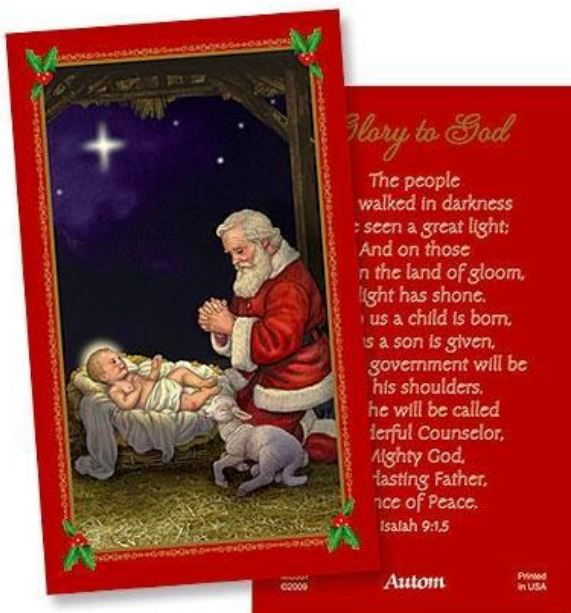

Reflect on the true giving nature of our community and help those in need with donations and time.

Just In The Nick of Time is a delightful story that brings across the true meaning of Christmas. It is the story of Humbug, a disillusioned man, who is the story's prodigal son. Like many of us, he lacks patience and faith in Christmas, allowing himself to become bitter and resentful towards the entire idea of giving. The prodigal son returns, devoid of faith, bent on destruction, and asking for a reason to believe, to understand the real meaning of the Christmas story. Santa, representing the unlimited compassion of God, accepts him back and shows him that what he was looking for was waiting there for him all along.

Set in Santa's village, the play uses each character to uniquely reflect the Christian message of faith, hope, forgiveness and love that awaits anyone who is willing to have patience and listen. As the colour fades from Santa's village in the play, we see our own lives losing their meaning without the focus of Christ. Once we come to know the real meaning of Christmas, our lives become colourful once more. This story portrays each of us in Humbug, with all our failings, and Santa in the spirit of his true identity as Saint Nicholas, a personification of Christ in our midst. Hiding within the secular story is the message of Christ and the true meaning of Christmas, made available to young children in a way that they can relate to, understand, and accept.

In the play program we will place a reminder of our up coming Heaven Cent campaign emphasizing our three pillars of faith Adoption, Alms, Action. With descriptors as follows

A prayer card that shows Santa beside Jesus in cradle will also be placed in the program.

Adoring Santa is a wonderful way to teach anyone the true meaning of Christmas. With Santa humbly knelt in adoration and prayer in front of the Christ Child, it helps us refocus our celebrations on God's greatest gift to us - His Son, Jesus.

Back of card reads:

Glory to God

The people who walked in darkness have seen a great light; And on those living in the land of gloom, a light has shone. For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Isaiah 9:1.5

After the play's conclusion, during the thank you, we will emphasize the true meaning of Christmas and how as a Catholic Community we have all come together to showcase this calling. Part of our proceeds will be donated to a community partner (Soup Kitchen, St. Vincent, ARCH..). We will thank God for his guidance and love and for encouraging such a great group of students to embrace their faith and put on a fantastic show.

We will then have a sing along with traditional Christmas hymns that are still sung today,

Angels We Have Heard on High

What Child Is This?

Silent Night

Joy to the World

Hark the Herald Angels Sing

O Come All Ye Faithful

O Holy Night

The end of the year trip will be offered to grade 5-8 students, and is tentatively planned for the week of June 8th.

Amanda Langelier has offered to be the female chaperone.

We will travel via Porter airlines from Timmins to Toronto, and then return from Toronto to Timmins. We are hoping for parental volunteers to shuttle students from Chapleau to the Timmins airport.

Accommodations will be in a Downtown Toronto hotel to keep us close to the locations we will be visiting. We will use the subway line to travel within the city. We will most likely be spending 3 nights in Toronto.

Activities may include: A blue jays game, a visit to the CN Tower/Toronto Aquarium, Queens Park, The Ontario Science Center, The Eaton's Center, and Canada's Wonderland.

We will continue to fundraise throughout the year for this trip. We will also ask for two deposits of \$100 per family to offset costs. If a family cannot afford the deposit, a fundraising alternative will be made available.

ONTARIO CATHOLIC SCHOOL GRADUATE EXPECTATIONS: The following are the 3 CGE that most align with our educational travel experience to Europe in 2021.

#1. A discerning believer formed in the catholic faith community- we are called to follow and live like Jesus Christ our Lord and Saviour through prayer, reflection and moral living. We honour our God and our Faith and we give thanks to Him by celebrating mass in Rome.

#2. An effective communicator who speaks, writes and listens honestly and sensitively and responds critically in light of gospel values. In a world where authentic communication is being replaced with technological communication, our students cultivate within themselves a true passion for speaking both French and English on a daily basis. They will experience first hand real, authentic interactions with new people and they will pride themselves in being able to carry out daily tasks and adventures in their second language.

#4. A self directed, responsible, lifelong learner who develops and demonstrates their God given potential. Our students have dedicated over 12 years of their lives to honing their skills as French speakers. They have the opportunity to realize their dreams by immersing themselves in the sights and sounds, the language, art and culture of beautiful France. An experience as rich as this will inspire them to keep their passion for French alive forever.
