Management's Responsibility for the Consolidated Financial Statements

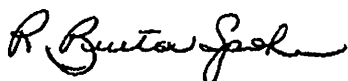

The accompanying consolidated financial statements of the Huron-Superior Catholic District School Board are the responsibility of the Board's management and have been prepared in accordance with the Financial Administration Act, supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act, as described in Note 1 to the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

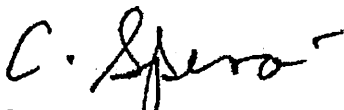

Board management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit Committee of the Board meets with the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the Board's approval of the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the Board. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

Independent Auditor's Report

To the Board Members of
Huron-Superior Catholic District School Board

Opinion

We have audited the consolidated financial statements of Huron-Superior Catholic District School Board and its controlled entities (the Board), which comprise the consolidated statement of financial position as at August 31, 2020, the consolidated statements of operations, changes in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Board as at and for the year ended August 31, 2020 are prepared, in all material respects, in accordance with the basis of accounting described in Note 1 to the consolidated financial statements.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the consolidated financial statements which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation of the consolidated financial statements in accordance with the basis of accounting described in Note 1 to the consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

Independent Auditor's Report (continued)

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Board to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Huron-Superior Catholic District School Board

Notes to the Consolidated Financial Statements

August 31, 2020

1. Summary of significant accounting policies

Nature of Business The principal activity of the Board is to administer the operations of the English catholic elementary and secondary schools in the District of Algoma and three schools in the District of Sudbury.

Basis of Accounting These consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the statement of operations over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which requires that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

1. Summary of significant accounting policies (continued)

	<p>As a result, revenue recognized in the statement of operations and certain related deferred revenues and deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.</p>
Reporting Entity	<p>The consolidated financial statements reflect the assets, liabilities, revenues, expenditures and fund balances of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.</p> <p>School generated funds, which include the assets, liabilities, revenues, expenditures and fund balances of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.</p>
Trust Funds	<p>Trust funds and their operations administered by the Board are not included in the consolidated financial statements as they are not controlled by the Board.</p>
Deferred Capital Contributions	<p>Contributions received or receivable for the purposes of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contribution as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:</p> <ul style="list-style-type: none">- Government transfers received or receivable for capital purposes- Other restricted contributions received or receivable for capital purposes- Property taxation revenues which were historically used to fund capital assets
Deferred Revenue	<p>Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenditures are incurred or services performed.</p>
Tangible Capital Assets	<p>Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes the costs directly related to the acquisition, design, construction, development, improvement or betterment of tangible capital assets, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.</p> <p>Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.</p>

1. Summary of significant accounting policies (continued)

Amortization is reflected on a straight-line basis over the estimated useful life of the assets at the following amortization rates:

Land improvements with finite lives	15 years
Buildings	40 years
Portable structures	20 years
First-time equipping	10 years
Furniture	10 years
Equipment	5 - 15 years
Computer hardware	5 years
Computer software	5 years
Vehicles	5 - 10 years
Capital leases - computer hardware over the lease term	

Assets under construction are not amortized until the asset is available for use.

Retirement and Other Employee Future Benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance and health care benefits, retirement gratuity, worker's compensation and long-term disability benefits.

As part of ratified labour collective agreements for unionized employees that bargain centrally and ratified central discussions with the principals and vice-principals associations, Employee Life and Health Trusts (ELHTs) were established for all employee groups in 2016-18. The ELHTs provide health, life and dental benefits to teachers (excluding daily occasional teachers), education workers (excluding casual and temporary staff), other school board staff and retired individuals up to a school board's participation date into the ELHT. These benefits are provided through a joint governance structure between the bargaining/employee groups, school boards trustees associations and the Government of Ontario. Boards no longer administer health, life and dental plans for their employees and instead are required to fund the ELHTs on a monthly basis based on a negotiated amount per full-time equivalency (FTE). Funding for the ELHTs is based on the existing benefits funding embedded within the Grants for Student Needs (GSN), including additional ministry funding in the form of a Crown contribution and Stabilization Adjustment.

Depending on prior arrangements and employee groups, the Board continues to provide health, dental and life insurance benefits for retired individuals that were previously represented by the following unions/federations: OECTA and CUPE.

Huron-Superior Catholic District School Board

1. Summary of significant accounting policies (continued)

The Board has adopted the following policies with respect to accounting for these employee benefits:

- i) The costs of self insured retirement and other employee future benefits plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care costs trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities is actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as retirement gratuities and life insurance and health care benefits for retirees and non-vesting accumulating sick leave credits, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average life of the employee group.

For those self insured benefit obligations that arise from specific events that occur from time to time, such as obligations for worker's compensation and long-term disability, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

- ii) The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System pensions, are the employer's contribution due to the plan in the period.
- iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

Government Transfers

Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. If government transfers contain stipulations which give rise to a liability, they are deferred and recognized in revenue when the stipulations are met.

Government transfers for capital are deferred as required by Regulation 395/11, recorded as deferred capital contributions (DCC) and recognized as revenue in the consolidated statement of operations at the same rate and over the same periods as the asset is amortized.

Notes to the Consolidated Financial Statements

August 31, 2020

1. Summary of significant accounting policies (continued)

Investment Income	Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development changes and special education forms part of the respective deferred revenue balances.
Budget Figures	Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Board of Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model.
Use of Estimates	The preparation of consolidated financial statements in conformity with the basis of accounting described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. These estimates and assumptions are based on management's historical experience, best knowledge of current events and actions the Board may undertake in the future. The principal estimates used are the determination of the liability for employee future benefits and the estimated useful life of tangible capital assets. Actual results could differ from management's best estimates as additional information becomes available in the future.
Property Tax Revenue	Under Canadian Public Sector Accounting Standards, the entity that determines and sets the tax levy records the revenue in the financial statements, which in the case of the Board is the Province of Ontario. As a result, property tax revenue received from the municipalities is recorded as part of Provincial Legislative Grants.

2. Accounts receivable - Government of Ontario

The Province of Ontario replaced variable capital funding with a one-time debt support grant in 2009-10. Huron-Superior Catholic District School Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this accounts receivable.

The Board has an account receivable from the Province of Ontario of \$18,371,704 as at August 31, 2020 (2019 - \$16,147,394) with respect to capital grants.

The Ministry of Education introduced a cash management strategy effective September 1, 2018. As part of the strategy, the ministry delays part of the grant payment to school boards where the adjusted accumulated surplus and deferred revenue balances are in excess of certain criteria set out by the Ministry. The balance of delayed grant payments included in the receivable balance from the Government of Ontario at August 31, 2020 is \$2,281,769 (2019 - \$882,675).

3. Line of credit

The Board has an operating line with the Royal Bank of Canada, with maximum drawings available of \$10,000,000. At August 31, 2020, \$3,302,775 of the operating line of credit was in use by way of overdraft. In addition the Board has a capital line with the Royal Bank of Canada, with maximum drawings available of \$10,000,000. At year-end the capital line of credit was undrawn.

The Board also has three letters of credit available with Royal Bank of Canada totalling \$150,000 repayable on demand and expiring July 2021, which are required from a municipality for security on a construction project.

4. Long term debt

Long term debt reported on the consolidated statement of financial position is comprised of the following:

	2020	2019
Loan payable to Ontario Financing Authority due \$113,679 semi-annually including interest at 4.56% per annum, maturing November 2031	\$ 2,017,272	\$ 2,148,149

Retirement benefits

i) Ontario Teacher's Pension Plan

Teachers and related employee groups are eligible to be members of Ontario Teacher's Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

7. Retirement and other employee future benefits (continued)

ii) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. The Board contributions equals the employee contributions to the plan. During the year ended August 31, 2020, the Board contributed \$1,048,521 (2019 - \$1,155,891) to the plan. As this is a multi-employer pension plan, these contributions are the Board's pension benefit expenses. No pension liability for this type of plan is included in the Board's consolidated financial statements.

At December 31, 2019 OMERS reported an actuarial funding deficit of \$3.4 billion (2018 - \$4.2 billion).

iii) Retirement Gratuities

In certain collective agreements, the Board provides a retirement gratuity plan. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. During the year ended August 31, 2020, the Board contributed \$10,000 (2019 - \$10,000) to the plan.

The Board also offers an Early Retirement Incentive Plan to certain groups of qualifying employees. The Board contributions equals the benefit payments. During the year ended August 31, 2020, the Board contributed \$nil (2019 - \$nil) to the plan.

iv) Retirement Allowance Plan

Certain teachers who were hired on or before September 9, 1998 or who elected not to be members of the Retirement Gratuity Plan are eligible for a retirement allowance. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The Board contributions equals the benefit payments. During the year ended August 31, 2020, the Board contributed \$nil (2019 - \$67,660 to the plan).

v) Retirement Life Insurance and Health Care Benefits

The Board allows certain retirees to participate in the life insurance, dental and health care benefits after retirement until the members reach 65 years of age. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The reimbursements from the retirees equals the Board contribution. Effective September 1, 2013, employees retiring on or after this date will no longer qualify for board subsidized premiums or contributions. During the year ended August 31, 2020, the Board contributed \$67,141 (2019 - \$80,303) to the plan.

Other employee future benefits

i) Workplace Safety and Insurance Board Obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act and as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. School boards are required to provide salary top-up to a maximum of four and a half years for employees receiving payments from the Workplace Safety and Insurance Board, where the collective agreement negotiated prior to 2012 included such provision.

ii) Sick Leave Top Up Benefits

As a result of the changes made in 2012-2013 to the short term sick leave and disability plan, a maximum of 11 unused sick days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short term leave and disability plan in that year. The benefit costs expensed in the financial statements are \$9,657 (2019 - \$5,950).

For accounting purposes, the valuation of the accrued benefit obligation for the sick leave top-up is based on actuarial assumptions about future events determined as at August 31, 2020 and is based on the average daily salary and banked sick days of employees as at August 31, 2020.

The accrued benefit obligations for employee future benefit plans as at August 31, 2020 are based on actuarial valuations for accounting purposes as at August 31, 2020. These actuarial valuations were based on assumptions about future events. The economic assumptions used in these valuations are the Board's best estimates of expected rates of:

	2020	2019
	%	%
Wage and salary escalation	0.00	0.00
Dental and health care costs ^{1,2}	4.50 - 7.25	4.50 - 7.50
Discount on accrued benefit obligations	1.40	2.00

1 Dental costs trend rates employed are at 4.5%.

2 Health Care trend rates employed are at 7.25% and are reducing by 1/4% in each year to an ultimate rate of increase of 4.5%

8. Accumulated surplus

Accumulated surplus consists of the following:

	2020	2019
Surplus available for compliance	\$ 4,651,732	\$ 2,835,559
Restricted surplus for committed capital projects	174,917	137,970

11. Ontario School Board Insurance Exchange (OSBIE)

The school board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Liability insurance is available to a maximum of \$27 million per occurrence.

The ultimate premiums over a five-year period are based on the reciprocal's and the Board's actual claims experience. Periodically, the Board may receive a refund or be asked to pay an additional premium based on its pro-rata share of claims experience. The current five year term expires December 31, 2021.

12. Transportation Consortium

The Board provides transportation services in partnership with the Algoma District School Board in order to provide common administration of student transportation in the region. This agreement was executed in an effort to increase delivery efficiency and cost effectiveness of student transportation for each of the Boards. Under the agreement, decisions related to the financial and operating activities of the Algoma and Huron Superior Transportation Services Consortium are shared. No partner is in a position to exercise unilateral control.

The Board's consolidated financial statements reflect its pro-rata share of expenses.

13. Commitments

The Board has entered into a contract for the construction of a new school. At August 31, 2020 the committed contract totaled \$20,821,730, of which \$4,572,323 has yet to be completed. This project is cost shared, the Board is committed to 44.3% of costs and the Conseil Scolaire Catholique du Nouvel-Ontario to 55.7% of costs.

14. Contingencies

The Board is involved with litigation from an outstanding claim, the outcome of which can not be reasonably determined. Any loss as a result of this litigation will be recorded in the period that the loss is probable and measurable.

15. Comparative figures

Comparative figures have been reclassified to confirm with current year presentation.

16. Impact of COVID-19

On March 11, 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) a global pandemic. The pandemic has had a significant impact on the global economy and the education system. On March 12, 2020, the Province of Ontario ordered the closure of all publicly funded schools. This closure was later extended to include the remainder of the 2019-2020 school year and education services were moved to a virtual learning platform.

The Ontario Ministry of Education has provided new funding and authorized the redirection of existing funding towards the costs related to implementing safe reopening measures and procuring personal protective equipment.

Schools have physically re-opened in September 2020 but at reduced capacity due to virtual learning options offered.

Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration and the related financial impact cannot be reasonably estimated.

Due to the response to COVID-19, the Province of Ontario extended the deadlines for municipalities to pay Education Property Tax (EPT) amounts to the Board. This amount for the Board was \$1,515,245 and has been included in accounts receivable on the statement of financial position. This amount will be recovered fully by the Board in 2021.

To mitigate the financial impact of this deferral, the Province adjusted its cash flow through the School Board Operating Grant in June 2020 to pay an additional amount equal to about 25% of the annual education property tax amount as forecasted by the Board in the 2019-20 Revised Estimates. This amount for the Board was \$1,832,051 and has been included in accounts payable on the statement of financial position. This amount will be recovered by the Province in 2021.
