

Huron-Superior Catholic

DISTRICT SCHOOL BOARD

APPENDIX A

NOTICE OF LEAD EXCEEDANCE – STANDING SAMPLE

This message is for all parents and guardians at **Insert School Name and Location Here** (e.g., St. John Catholic Elementary School in Sault Ste. Marie).

Standing Sample

An exceedance for lead under Ontario Regulation 243/07 (Schools, Private Schools and Child Care Centres) has been determined on a “standing” sample. The subsequent “flushed” sample was at or below the Ontario drinking water quality standard of 10 micrograms per litre. No further corrective action is required and this notice serves as information only.

More information on flushing and sampling for lead may be found at <https://www.ontario.ca/page/flushing-and-sampling-lead>.
