## **POLICY**

The Huron-Superior Catholic District School Board will continue to set an example as an enlightened and human Christian Catholic Institution. The Board's aim will be to:

- a) Educate its students to live responsible, compassionate lives, enabling them to avoid the behaviours which might lead to infection with A.I.D.S.
- b) Increase awareness of responsible sexual behaviour, raise consciousness and understanding around the many human and moral dimensions of A.I.D.S.
- c) Enforce laws providing confidentiality to any student or employee with A.I.D.S. in co-operation with the Ministry of Health and the Medical Officers of Health.
- d) Respond to individuals suffering from A.I.D.S. in a compassionate manner consistent with the gospel of Jesus Christ.
- e) Provide staff with solid current information regarding the precautions to be taken by teachers and students dealing with persons suffering with A.I.D.S.
