### **POLICY**

The Huron-Superior Catholic District School Board supports its students, clergy, parents and staff in understanding and promoting healthy school environments based on the acceptance and practice of Catholic values. The development of positive Christian attitudes and healthy lifestyle choices will contribute to a drug and alcohol free environment for all of our schools.

It is the policy of the Huron-Superior Catholic District School Board to foster and maintain a safe, non-threatening environment for its students, staff and community through the implementation of effective measures to deal with the illegal use of alcohol and drugs. These measures include the establishment of preventative programs, the provision of appropriate early intervention programs, and the administration of disciplinary action in accordance with the Education Act, board policy, the Criminal Code, and other appropriate legislation.
