

Required & Recommended Courses for Occasional Teachers

Throughout the year, the senior administration team receives numerous telephone calls requesting information on what qualifications the Board is looking for or which courses they should be taking to assist them in obtaining permanent employment with the Board.

In an effort to provide consistent information to our occasional teachers and minimize the number of telephone inquiries made to senior administration, we are providing a list of required and recommended courses.

Please note, obtaining these courses **will not** deem you qualified for a position.
