DISTRICT SCHOOL BOARD

## ACCEPTABLE USE OF INFORMATION AND COMMUNICATION TECHNOLOGY RESOURCES IDENTIFICATION OF STUDENTS FOR SCHOOL RELATED ACTIVITIES FORM

It has been the practice of the Huron-Superior Catholic District School Board to recognize and affirm its students by way of announcements, Honor Rolls, displays, mention in newsletters, public media, social media, awards assemblies, and so on. Names may also appear on graduate lists, in printed programs, and in yearbooks. This recognition has always been a regular part of our schools' operations.

However, in order to ensure protection of individual privacy, your written consent is required for any publication of names and/or photographs. For students under the age of 18, consent from a parent/guardian is required. A student who is 18 years of age or over may give his or her own consent. You are therefore requested to read and sign the attached consent form.

Questions regarding this issue should be directed to the School Principal, or you may contact the School Superintendent.
