POLICY

The Huron-Superior Catholic District School Board recognizes and believes that we are called and committed to invite, encourage and support our families, our church, and our community in our efforts to provide excellence in Catholic education. It is our mission to develop Catholic learning communities that develop the full potential of each child.

In order to achieve this mandate, we will strive to:

- a) encourage students to live the values of Jesus and the Catholic Graduate Expectations;
- b) communicate and consult openly with parents, the church, and community on key issues;
- c) promote the active involvement of parents in their child’s learning;
- d) proclaim and promote the distinctiveness and value of Catholic education in our community;
- e) provide opportunities that promote open participation of Catholic School Council members.

It is the Board’s policy that each school establishes a Catholic School Council that will assist the Board in fulfilling its mandate and goals.
