Parent Response: Why would you like to enroll or have your child continue in the HSCDSB Hockey Canada Skills Academy?

EXPECTATIONS AND CONSENT:

The Huron-Superior Catholic District School Board hopes that each student athlete and their family will get the most out of the HSCDSB Hockey Canada Skills Academy. By recognizing certain program expectations, we hope students and parents will be well informed and able to help create a successful school experience in this Specialized Learning Program. Please review the following sections and sign below to indicate that you have read and understood the expectations at the HSCDSB Hockey Canada Skills Academy.

Program Review

I understand that the school will provide ongoing review of student needs related to program delivery, available resources and program fit. If my child's ongoing needs (academic or behavioural) prove greater than the supports available within the HSCDSB Hockey Canada Skills Academy, a review and consultation will occur with the parent, classroom teacher and administrator to determine the student's suitability for continued placement in the program. The final decision will rest with the principal.

Home / School Communication

Specialized Learning Programs seek to establish an active, collaborative, supportive learning community of students, parents, and teachers. Certain guidelines need to be followed to ensure a positive experience for the entire learning community. Parents are expected to relate to staff and other parents in a positive and professional manner using appropriate conflict resolution procedures to help create a supportive learning environment. Parent participation is valued but educators hold the ultimate responsibility for program delivery.

Transportation

The Hockey Academy has been structured to offer the on-ice portion during school hours. With transportation being an integral and expensive undertaking for the program, student athletes are required to act responsibly in their efforts to meet departure times and exhibit appropriate behaviour / conduct while in transport.

Funding

The HSCDSB Hockey Canada Skills Academy provides a unique opportunity for student athletes to promote their individual skill development while concurrently achieve academic credit. As an elective program, it has associated costs that exceed the funding of a regular day-school program.

Program Costs:

A registration cost of \$650.00/elementary is charged to each participant and covers:

Transportation to and from the rink and dry-land training facility. (HSCDSB Bus Code of Conduct applies to all transportation provided for during this program), Ice rental, Hockey Canada Skills Academy Participant Registration, one Hockey Canada Skills Academy Jersey, one Hockey Academy gym t-shirt.

Admission Considerations:

- Student applicants must be registered and enrolled in grades 5, 6, 7 or 8.
- Students must demonstrate a strong commitment to their overall academics and, ongoing success in all learning skills. More specifically, preference will be given to students who demonstrate a strong commitment to: co-operation with others, independent work habits, and the willingness to set goals for improvement.
- The program strives for a balance of male and female participants.
- The school principal will give applicants final approval of acceptance into the program.
- A lottery will decide placement if the number of successful applicants exceeds the space in the program.
- If more than one student applies from a family/household and the placement decision is based on a lottery, all students from the household will be offered placement in the program upon one sibling being drawn.
- Successful applicants not drawn will be offered a place on a wait list.
- For students out of zone, out of zone approval must be obtained.
- Students accepted into the HSCDSB Hockey Canada Skills Academy will complete a HSCDSB Hockey Academy Contract at the beginning of each year and/or semester they attend the program.
