

Huron-Superior Catholic
DISTRICT SCHOOL BOARD

Appendix A

Welcome to the Huron-Superior Catholic District School Board!

We are thrilled you chose to register your child in our system. We know that students thrive in a culture where parents are welcome, respected and valued and we encourage you play an active role in your child's education.

Please consider:

- connecting with teachers so that there is clear communication between the school and the home
- becoming involved in school activities and volunteering to help with school events, trips and other activities
- participating in a school council at the school level and parent involvement committee (PIC) at the school board level, to provide perspective

Connect with your school principal to see what opportunities may be available.

Additionally, we encourage you to visit the parent section of our board website to find resources to support learning as well as our communication protocol and the Ministry of Education document entitled [Your Child's Education: a parent guide to our school system.](#)
