# Christian Community Involvement

*“We can do no great things, only small things with great love.”  
(Mother Teresa)*

## **My Christian Community Involvement:**

-  is performed in the spirit of giving
-  is a secondary school graduation requirement
-  is a commitment of a minimum of 40 hours with completion before graduation
-  is completed outside of scheduled class time

## **The Catholic Graduate is expected to...**

-  be a collaborative contributor who develops one's God-given potential and makes a meaningful contribution to society
-  be a caring family member who ministers to ... school, parish and wider community through service
-  be a responsible citizen who contributes to the common good [by making the world a better place through growing awareness of social justice issues and participating in community outreach initiatives] (Ontario Catholic School Graduate Expectations, Institute for Catholic Education 1998).

The Christian Community Involvement requirement provides an opportunity for students to successfully meet these Catholic Graduate Expectations. While learning the teachings and traditions of the Catholic faith throughout the curriculum, students must have opportunities to witness their faith by reaching out to help others through Christian Service.

*“Amen, I say to you, whatever you did for one of these least of mine, you did for me.”  
Matthew 25:40*

### PROCEDURAL GUIDELINES

---

Christian Service in our Catholic schools has always been part of the Religious Education Program. Therefore, we encourage our students to complete their hours during the semesters in which they have their Religious Education course.

**We recommend that students complete a minimum of 10 hours each year during the semester they are enrolled in Religious Education.**

#### Pre-Approval of Summer Hours

- Grade 8 students are able to start accumulating community involvement hours in the summer after Grade 8 graduation before they enter Grade 9. It is the student's responsibility to obtain pre-approval from his/her grade 8 Teacher, Principal, or Secondary Student Services. Students are asked to bring the completed Tracking Form to Student Services.
- If secondary students would like to complete hours during the summer or during a semester in which he/she does not have a Religion course, it is his/her responsibility to obtain pre-approval from the Principal or Student Services and submit the Tracking Form.

#### **Students will:**

- obtain pre-approval of the activity chosen from the Religion Teacher/Principal/Student Services in order to avoid activities deemed ineligible for the Christian Community Involvement requirement.
- select meaningful activities that promote the Christian call to be people of service and complete and track the activities in a spirit of giving to the community, demonstrating responsible and respectful behaviour.
- ensure that the community supervisor confirms the hours completed with a signature and phone number.
- submit the Tracking Form to his/her Religion Teacher or Student Services for monitoring purposes.

#### **Parents will:**

- provide assistance to their child in the selection of community involvement activities in order to ensure safety and appropriateness.

- Board liability insurance does **not** cover the Supervisor/Agency for lawsuits that arise from their negligence or for student injuries in the workplace.

Christian Community Involvement is at the heart of Catholic Education. This voluntary service enables students to show solidarity with people who are in need and who require assistance. It also helps to foster in students an understanding of civic responsibility and participation, and enables young people to develop and share their skills and gifts with others, in the wider community.
