### **POLICY**

The Huron-Superior Catholic District School Board believes that it is essential to provide a safe Catholic environment for its students and this begins with a safe arrival. Rooted in the teachings of Christ and guided by Gospel values, the Board recognizes that care for each child reflects its mission to nurture faith, hope, and belonging. The Board is committed to effective, regular and timely communication between the home and school in relation to student attendance and to working with parent(s)/guardian(s) to establish a mechanism to respond to students' unexplained failure to arrive at school.
