POLICY

As part of its mission, the Huron-Superior Catholic District School Board (the “Board”) affirms the sacredness of life and the dignity of each person. The Board’s respect for all humans as children of God is evident in its commitment to protect the health and well-being of all of its employees.

As outlined in the Occupational Health and Safety Act (OHSA), every reasonable precaution will be taken by the Board to protect the health and safety of all employees. This includes the provision of personal protective equipment (PPE) for all employees requiring it.

Sustaining a culture of respect, reverence, and prevention will be achieved through the establishment, integration and maintenance of prevention, accident, illness and disability management standards, programs, procedures and best practices. To ensure the integrity of this managed system of care, the Board’s performance shall be routinely reviewed for continuous improvements.
